GUARANTY AGREEMENT FOR QUICK CHECK-IN

Provided the undertaking below is signed by a duly authorized official of the company or organization (referred to below as "Group"), The Royal Orleans Hotel will merely require group members to provide their signature and home address and pick up their room keys at our Reception Desk on arrival without having to provide further credit identification. We would emphasize, however, that our terms require settlement of the accounts of individual group members by cash or credit card on checkout.

- 2) The Group agrees to guarantee payment of the accounts of individual members of the Group should they not have been paid by the individual concerned within 30 days of their departure from the hotel.
- 3) The Group agrees to guarantee payment of all personal checks accepted by The Royal Orleans Hotel from individual group members should they fail to be honored by the individuals concerned.
